Eine erfolgreiche Vereinsgeschichte

*Una storia di successo*

A successful story

Since 2001 SwissCHessTour organize chess tournaments in the most beautiful regions of Switzerland.

The success story - SCT has organized about 330 chess events to date (festivals, open, rapid, blitz tournaments). In total, over 16,700 players participated in the SCT events - In 2023 alone there were over 1700 players - Participants come from 73 different countries.

Among the participants were over 140 grandmasters and 220 international champions - Over 500,000 CHF cash prizes were distributed to the protagonists - In 2024, SCT organizes 27 international chess events.

## The idea

Promote the second sport in the world, after football, involving more and more young people and their families, taking them to the most enchanting places in Switzerland and the rest of Europe. The companions will go on vacation while the sportsman racks his brains over the 64 fields. "Travel, tourism, culture and mental sport", a winning combination, both for the regions and for the chess enthusiast.

Share your passion  
with family and  
loved ones

Enjoy Switzerland  
and the region of  
lakes. Go on vacation

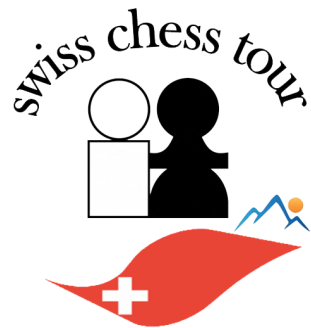

Play chess  
make your best  
move
